As between Hazelcast and Customer, Hazelcast owns all right title and interest in and to the Software and any derivative works thereof, and except as expressly set forth in Section 1.1 above, no other license to the Software is granted to Customer by implication, estoppel or otherwise. Customer agrees not to: (i) prepare derivative works from, modify, copy or use the Software in any manner except as expressly permitted in this Agreement or applicable law; (ii) reverse engineer or decompile, decrypt, disassemble or otherwise reduce any Software or any portion thereof to human-readable form, except and only to the extent any such restriction is prohibited by applicable law, (iii) transfer, sell, rent, lease, distribute, sublicense, loan or otherwise transfer the Software in whole or in part to any third party; (iv) alter or remove any proprietary notices in the Software; or (v) make available to any third party any analysis of the results of operation of the Software, including benchmarking results, without the prior written consent of Hazelcast.

1.5 Export Control. Customer confirms that it is now and will remain in the future compliant with all such export control laws and regulations, and will not export, re-export, otherwise transfer any Hazelcast goods, software or technology or disclose any Hazelcast software or technology to any person contrary to such laws or regulations. Customer acknowledges that remote access to the Software may in certain circumstances be considered a re-export of Software, and accordingly, may not be granted in contravention of U.S. export control laws and regulations.

2. SUPPORT SERVICES.

2.1 Provision. During the Subscription Term, Hazelcast will provide Customer with Support Services for the Software in accordance with Hazelcast's support services policy set forth at http://www.hazelcast.com/Hazelcast_SLA.pdf, as the same may be reasonably modified by Hazelcast from time to time ("**Support Services Policy**").

2.2 Support Services Policy. Hazelcast reserves the right to reasonably modify the Support Services Policy during the Subscription Term. However, Hazelcast agrees not to materially diminish the level of Support Services during the Subscription Term. The effective date of each version of the Support Services Policy will be stated therein, and Hazelcast will retain an archived copy of each version that will be made available to Customer upon request. The Support Services Policy is hereby incorporated into these terms and conditions by this reference. At the request of Customer, a current copy of the Support Service Policy may be attached hereto as Exhibit A.

2.3 Restriction. Support Services are provided to Customer solely for Customer's internal use, and Customer may not use the Support Services to supply any consulting, support or training services to any third party. Customer agrees and acknowledges that Customer is not obtaining any intellectual property right in or to the Support Services or any Hazelcast materials other than the rights of use specifically granted in this Agreement.

2.4 Related Services. Hazelcast also provides services for training in the use and operation of the Software and for installation and implementation of, and/or configuration services for the Software that are in addition to the Support Services (the "Related Services"). The performance of Related Services shall not contemplate any development work or creation of software or other works of authorship (collectively "Work Product"), nor any form of software license nor Work Product deliverable to be provided by Hazelcast to the Customer. To the extent Hazelcast is required by the Customer to perform Related Services, such Related Services and respective fees shall be described in the applicable Order Form. Hazelcast may submit invoices for any Related Services upon execution of the applicable Order Form by both parties and after performance of Related Services by Hazelcast.

3. INTELLECTUAL PROPERTY INFRINGEMENT CLAIMS

3.1 Obligation. Hazelcast will, at its expense (i) defend, or at its option settle, a claim brought against Customer by an unaffiliated third party alleging that Customer's use of the Software during the Subscription Term infringes such party's patent registered in the United States, or any copyright or trademark of such party registered in the jurisdiction of Customer's use of the Software, or makes intentional, unlawful use of such third party's trade secret (each an "**Infringement Claim**") and (ii) pay, hold harmless and indemnify Customer against any (1) amount agreed to be paid as settlement of such Infringement Claim consented to by Hazelcast or (2) damages finally awarded to such third party by a court of competent jurisdiction as the result of such Infringement Claim.

3.2 Certain Remedies. If an Infringement Claim occurs, or in Hazelcast's opinion is reasonably likely to occur, Hazelcast, at its expense and at its sole discretion, may, in addition to its obligations under Section 3.1, either: (i) procure the right to allow Customer to continue to use the applicable

Software; or (ii) modify or replace the applicable Software or infringing portions thereof to become non-infringing; or (iii) if neither (i) nor (ii) is commercially practicable, terminate Customer's Subscription to the applicable Software and refund to Customer any pre-paid, unused fees paid by Customer to Hazelcast for such Subscription.

3.3 Exclusions. Hazelcast will have no obligation to Customer under this Section 3 to the extent any Infringement Claim or resulting award is based upon or results from: (i) Customer's use of any version of the Software not obtained directly from Hazelcast; (ii) the failure of Customer to use an update of the Software made available by Hazelcast that would have avoided the Infringement Claim; (iii) a modification of the Software that is not performed by Hazelcast; (iv) the combination, operation, or use of the Software with any other products, services or equipment not provided by Hazelcast; (v) specifications Customer provides to Hazelcast for any services; (vi) damages attributable to the value of the use of a non-Hazelcast product or service or (vii) any third party software. Customer will reimburse Hazelcast for any expenses, costs and/or damages that result from any of the actions or situations described in 3.3(i) – (vi) above.

3.4 Conditions. The obligations of Hazelcast in Section 3 are conditioned upon Customer (i) notifying Hazelcast promptly of any threatened or pending Infringement Claim, provided that failure to provide such notice will only relieve Hazelcast of its obligations under this Section 3 to the extent its ability to defend or settle an applicable Infringement Claim is prejudiced by such failure to provide notice (ii) tendering to Hazelcast sole control over the defense and settlement of the Infringement Claim and (iii) giving Hazelcast, at Hazelcast's expense, reasonable assistance and information requested by Hazelcast in connection with the defense or settlement of the Infringement Claim. Customer's counsel will have the right to participate in the defense of the Infringement Claim, at Customer's own expense. Customer will not, without the prior written consent of Hazelcast, make any admission or prejudicial statement, settle, compromise or consent to the entry of any judgment with respect to any pending or threatened Infringement Claim.

Unless otherwise specified on an Order Form, all invoices will be paid in U.S. dollars and are due within thirty (30) days of receipt. Payments will be made without right of set-off or chargeback. If Customer does not pay the invoices when due, Hazelcast may charge interest at the rate of one percent (1%) per month on the unpaid balance, or the highest rate permitted under applicable law, whichever is less.

4.2 Taxes. In addition, Customer will pay Hazelcast, or, if applicable, the Authorized Reseller, all sales, use, and excise

Customer will pay all import, export, value added or other tax or duty, and all government permit, withholding or license fees, and custom or similar fees, that are levied upon the delivery or use of the Software and/or Support Services.

Upon five (5) business days prior notice, Hazelcast or its designee may audit Customer's records to verify Customer's compliance with those Sections of this Agreement; provided, however that Customer may require such accounting firm to execute a confidentiality agreement reasonably satisfactory to Customer. Any such audit shall be performed at Customer's facilities during normal business hours and no more than one (1) time in any twelve (12) month period. In the event any such audit reveals that Customer has used the Software in excess of the applicable quantitative limitations set forth in an applicable Order Form, Customer shall promptly pay to Hazelcast any additional fees, plus an additional penalty of ten percent (10%) of such additional fees, and the actual and reasonable cost of the applicable audit. This Section 4.3 shall survive for a period of two (2) years from the termination or expiration of this Agreement
